## About us

Global Stone is focused on countertop & vanity tops fabrication, especially for hospitality industry and Multi-family projects. We are committed to providing exceptional service across a broad range of projects ranging from high end resort properties to the local inn. Thanks to highly skilled workforce and full project management expertise, we have the capabilities to respond to individual requirements and transform a designer's vision into a reality that meets or exceeds each individual customer's expectation.

We pride ourselves on working collaboratively with ownership, contractors, designers, and purchasing agent to help develop and deliver solutions that capture the right balance of style, quality, and value, so far we have supplied over 100,000 guest rooms.

In our eyes, no business is small or big, we serve each customer with full heart, thus our services result in unparalleled customer satisfaction. Impeccable quality and superior service is our promise to you, and also our key to success.

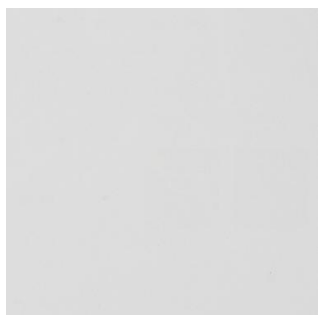

Focus, makes us professional.

Service and Quality help us grow international.
